

## First Level Additional Activities - Cross Curricular Home Learning

<p>Play "I Spy". Describe something you can see. Can your partner guess?</p>	<p>After you watch a favourite TV show, tell someone about it. Include the beginning, middle and end.</p>	<p>Take turns with someone naming words that have 'ing' in them. The winner will be the one who names the longest 'ing' word.</p>	<p>Make as many maths problems as you can that have 30 for an answer.</p>	<p>Go on a "recycling" scavenger hunt. List or draw pictures of 10 things in your home that can be recycled.</p>
<p>Will an egg float or sink in water? Find out. Then add salt one teaspoon at a time. What Happens?</p>	<p>Make a map of your street. Include shops and other areas of interest.</p>	<p>Ask an adult for a piece of junk mail or a take away menu. Circle all the words you can find that have more than two vowels contained in the word.</p>	<p>Write an acrostic poem with the word CELEBRATION.</p>	<p>Estimate how many times you can count backward from 30 in one minute. Try it!</p>
<p>Make a poster that will display three ways you can help to protect the planet.</p>	<p>Go on a "materials" scavenger hunt. Find 3 things in your home that are made of cotton, plastic and wood.</p>	<p>Create a new sandwich with your favourite filling. Make a flyer to advertise this new sandwich, give it a name.</p>	<p>Put 20 objects on a table. Close your eyes and ask someone to take away one object. What is missing?</p>	<p>Take a poll. Find out the favourite food of each family member. Display your results in a bar graph.</p>
<p>Help to wash the dishes.</p>	<p>Tidy your bedroom.</p>	<p>Write a book review about a book we have read in school.</p>	<p>Think about one nice thing to say to someone you know. Tell it to that person.</p>	<p>Design a new book cover for your favourite book.</p>
<p>Look inside your kitchen cupboard or fridge/freezer. Find out which product has the highest calorie content by looking at the package label.</p>	<p>Create a new playground game. Write down the rules for this game.</p>	<p>Find out how many days there are in May. Which day does the 12<sup>th</sup> fall on? Which day would it have fallen on 4 years ago.</p>	<p>Look out of a window in your home. Why not draw what you see?</p>	<p>Gather 10 household objects. Sort them according to weight. Can you sort them another way?</p>
