

Welcome back!

April 2024

Dear families,

I hope you had a good Easter holiday despite the unusually high levels of rain and grey skies...I am sure summer is on its way!

The children have settled in well and have enjoyed seeing and playing with their friends, they do miss one another!

The staff are planning for the term ahead and we will be doing our very best to ensure that every day is a quality ,learning day. You will receive a Parent Plan in due course, outlining the key aspects of learning for your child's class ,this term (April-June).

It will be a busy term with clubs, sports coaching, trips , new P1s' visits, First Holy Communion and our usual end of term events such as Talent show and Sports Day. Please read all newsletters issued, for dates. These are on our website and emailed to you.

We will look to target late coming and uniform standards this term– both are areas of concern, particularly at middle –upper school stages. Please help us in these matters and thank you, in advance.

Enjoy the brighter weather and just keep in touch should you have any need!

Kindest regards

Mrs McDonald

We care, we share, for the future we prepare!

P.S. Whole school summer trip to Calderglen Country park is now on Monday 20th May
