## Our Lady of Peace RC Primary

Dear Parents/Carers, families and friends,

### P7 Residential Trip

This will now go ahead on Monday 9<sup>th</sup> March until Wednesday 11<sup>th</sup> March. Thank you for your deposits. The balance will be due early March and I will keep you updated. There will be further paperwork for permissions, etc. issued over the next few weeks, also. It should be a great experience for the children and thank you to the staff who have committed time to accompanying them.

### Area Partnership Funding

We have been successful in our application for a large grant and have been awarded almost £12,500 by the APF. This is a substantial amount to support on-going Outdoor Learning and play area developments. Thank you to those on the APF panel for helping Our Lady of Peace Primary.

### Helping at home

**Sumdog for both literacy and numeracy.** These are both valuable support in helping children practise and make progress. Please encourage your child to use them at home, if you have online access. Regular use will make a difference to his/her learning.

Parents often ask how they can help at home with their children's learning. The parental update gives lots of ideas too.

I hope you have a lovely mid-term break. We look forward to the children's return on Thursday 13<sup>th</sup> February at 9.00am
