3 June 2020

Dear Parent / Carer,

Our Lady of Peace

I am writing to invite your child to our school for a one day transition visit on **Tuesday 16 June 2020**.

The school visit will operate from 9.00am until 3.00pm. This will consist of an assembly and a broad range of subjects from departments across the school. Class sizes will be limited and social distancing measures implemented to comply with the current government guidelines. In addition, extra time has been built into lessons to allow for appropriate hand washing and extra hygiene measures.

Young people will be expected to make their own way to and from school. There is no need for young people to wear school uniform.

There will be lunch available for any young person who needs it. Young people may bring a packed lunch if they prefer. Pupils should also bring a snack with them for morning interval.

I understand you may feel reluctant to send your child to school however, I would like to reassure you that every precaution will be taken to support your child and keep them safe.

In the next few weeks we will be issuing information about school uniforms and other practical matters to prepare your child for school.

We are looking forward to welcoming your child to St Andrew's RC Secondary School and working with you in the next stage of their school career.

Yours sincerely

Sarah Richford

Depute Head Teacher

St Andrew's RC Secondary School
