**1 March 2021**

Dear Parent / Carer

I am writing to reassure you that preparations are well underway for your child coming to St Andrew's in August 2021. I realise this has been a difficult few months for many families and online learning has been particularly challenging. We are optimistic that your children will be able to return to school as planned and we can begin to prepare them for the move to Secondary School. I have already been in touch with your Primary School and requested information about your child's learning. This will enable us to make all the appropriate preparations for your child's arrival.

Over the course of the next month, I will be sending a series of videos to the Primary School which will be shared with your children. These videos are from each of our departments and will highlight what your children can expect when they arrive in St Andrew's. It is our hope that this will excite your children and give them an insight into life in our school.

We will continue to follow the government advice and, if at all possible, we will arrange a school visit for your child before the summer break. If you have any questions about your child coming to St Andrew's, please do not hesitate to get in touch. My email address is [gw10richfordsarah@glow.ea.glasgow.sch.uk](mailto:gw10richfordsarah@glow.ea.glasgow.sch.uk).

Yours sincerely

Sarah Richford  
Depute Head Teacher  
St Andrew's RC Secondary School
